

WELCOME TO

Westmorland

A neighborhood made better by the people who call it home.

ROOTED IN NEIGHBORHOOD

First platted in 1916 and named in 1926, Westmorland has been strengthened since 1941 by its neighborhood association, bringing events, local advocacy and community connection.

A Neighborhood that Shows Up

Westmorland is known for neighbors who gather, pitch in, share information and make room for new traditions alongside longtime favorites. Here are three easy ways to become part of the neighborhood and support the neighborhood association.

3 KEY ACTIONS

1) FOLLOW Westmorland (via website):

neighbor.exchange/westmorland/follow

Following keeps you in the neighborhood loop and adds your email to the community update list. You can also share your interests, how you want to connect and whether you may be open to volunteering.

SCAN TO FOLLOW

Following is the easy first step, not a membership commitment. Choose only the options that feel useful to you.

2) GO TO THE NEXT NEIGHBORHOOD EVENT

The best way to meet Westmorland is to show up

Start with the next Summer Nights concert, or another gathering that fits your family. Subscribe the calendar for current dates, details, and changes.
